MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The Companies' main object is Non Banking Finance activities. The market for this activity offers high potential for growth. The Company is giving Loan and Inter Corporate Deposit to the Corporate client and is operating from Kolkata. There have been a number of causes behind growth of Indian Economy in last couple of years.

Business Environment

1. Global Economic Overview

Global prospects remain extremely unclear one year into pandemic. New virus mutations and therefore the accumulating human toll raises worries, while increasing vaccine coverage lifts sentiment. The outlook depends not simply on the outcome of the impact of virus and the effectiveness of vaccines, it additionally centres on how effectively economic policies are deployed under such uncertain times.

Global growth is projected at 6 percent in 2021, moderating to 4.4 percent in 2022. The projections for 2022 and 2023 are stronger than in October 2021 world economic outlook which pegged global growth at 5.2 percent for 2022. The upward revision reflects additional fiscal support in a few large economics, the anticipated vaccine- powered recovery in the second half of 2021, and continued adaption of economic activity to subdued mobility. High uncertainity surrounds the economic outlook and the path to recovery hinges on the effectiveness of the policies adopted and the speed of vaccination roll outs.

2. Indian Economic Overview

India's real GDP growth for FY 2022-23 was 7.2%, which is amongst the highest in leading economies, as the Indian economy bounced back during the year exhibiting resilience during the pandemic. As the year progressed, most of the economic indicators such as GST collection, IIP, Exports and UPI transactions saw an uptick, indicating a steady recovery from the lows of the first quarter of FY 2022-23.

While India's growth outlook for the year ahead remains bright, driven by private consumption and elevated public spending, but risks remain, the biggest of which is inflation. Higher inflation can curtail the discretionary consumption and un favourably affect the recovering domestic demand. The ongoing geopolitical crisis has caused supply chain disruptions which has led to higher commodity prices; if this gets prolonged, it can further fuel the inflation. The depreciating Rupee can become another issue as India is one of the biggest importers of crude oil leading to likely rise in trade deficit in FY 2022-23. As Rupee depreciates and import prices go up, taming inflation can become an uphill task for the central bank. A slower than expected global growth recovery may affect the demand for exports.

India's retail inflation soared to an 18-month high of 4.25% driven by inflationary pressures, post which the RBI announced a 40 bps repo rate hike in May 2022 in an off-cycle monetary policy to combat the said rise in inflation. While RBI's stance remains accommodative in order to support growth, ensuring that inflation remains within the target going forward shall be key for a sustainable growth environment.

Nevertheless, the opportunities for growth remain intact driven by strong economic fundamentals, favourable economic policies (such as PLI scheme, Aatmanirbhar Bharat Abhiyan and Startup India initiative), digital push, demographic dividend and growing global preference for India as an investment destination. Further, as the Company enters into FY 2023-24, the thrust on capital expenditure in Union Budget 2023 is a welcome move and expected to push demand through multiplier effect on the economy.

Given the proactive efforts by the regulator and the push from the government to support growth, the Company expects the inflationary environment to soften and a large vaccinated population is likely to contain the impact of subsequent COVID-19 waves, which will give way to robust growth going forward. This in turn shall spur

The Company has complied with and continues to comply with all applicable laws, rules, circulars and regulations, including the Master Direction - Non-Banking Financial Company (Reserve Bank)Directions, 2016 ("RBI Master Directions"), as amended from time to time.

5. Internal Audit

The Management has laid down set of standards, processes and structure which enables to implement internal financial controls across the organization with reference to financial statements and that such controls are adequate and are operating effectively. Internal Finance control framework has been established in line with the

Internal Control - Integrated Framework (2013) issued by the Committee of Sponsoring Organizations of the Treadway Commission ("COSO") and Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the 'Guidance Note').

During FY 2022-23, testing was conducted basis process walkthrough and review of samples as per documented controls in the Risk & Control matrix. Testing is done for each of the controls with the help of an independent firm, on behalf of Management confirming the existence and operating effectiveness of controls over financial reporting. Review was performed on design, adequacy and operating effectiveness of the controls. During the year under review, no material or serious observation has been observed for inefficiency or inadequacy of such controls.

6. Human Resources

The group's people mission to nurture and empower employees who demonstrate both honesty and high performance in a fair and transparent environment.

7. Cautionary Statement

INDEPENDENT AUDITORS' REPORT To the members of M/S. RADHASHREE FINANCE LIMITED (FORMERLY PANORAMA CAPITAL MARKET LIMITED) For the Year ended 31st March, 2023

Report on Standalone Financial Statements

Opinion

We have audited the accompanying financial statement of **RADHASHREE FINANCE LIMITED** (FORMERLY PANORAMA CAPITAL MARKET LIMITED), which comprises the Balance sheet as at **31st March**, **2023**, the Statement of Profit and Loss (Including other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flow for the year then ended and a summary of Significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the 'Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2023, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We have conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of financial statement under the provisions of Companies Act, 2013 and rules these under and we have fulfilled our other ethical responsibilities in accordance with these requirements and code of ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

1) Classification and measurement of financial assets –

Business model assessment

Ind AS 109, Financial Instruments, contains three principal measurement categories for financial assets i.e.:

- Amortised cost;
- Fair Value through Other Comprehensive Income ('FVOCI'); and
- Fair Value through Profit and Loss ('FVTPL').

A financial asset is classified into a measurement category at inception and is reclassified only in rare circumstances. The assessment as to how an asset should be classified is made on the basis of both the Group's business model for managing the financial asset and the contractual cash flow characteristics of the financial asset.

The term 'business model' refers to the way in which the Group manages its financial assets in order to generate cash flows. That is, the Group's business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets or both.

Amortised cost classification and measurement category is met if the financial asset is held within a business model whose objective is to hold financial assets in order to collect contractual cash flows.

FVOCI classification and measurement category is met if the financial asset is held in a business model in which assets are managed both in order to collect contractual cash flows and for sale. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in other comprehensive income.

FVTPL classification and measurement category is met if the financial asset does not meet the criteria for classification and measurement at amortised cost or at FVOCI. Such financial assets are subsequently measured at fair value, with changes in fair value recognized in profit or loss.

Key audit procedures included:

Design / controls

 Assessing the design, implementation and operating effectiveness of key internal controls over management's intent of purchasing a financial asset and the approval mechanism for such stated intent and classification of such financial assets on the basis of management's intent (business model).

• For financial assets classified at amortised cost, we tested controls over the classification of such assets and subsequent measurement of assets at amortised cost. Further, we tested key internal controls over monitoring of such financial assets to check whether there have been any subsequent sales of financial assets classified at amortised cost.

• For financial assets classified at FVOCI, we tested controls over the classification of such assets and subsequent measurement of assets at fair value.

2) Recognition and measurement of impairment of loans and advances involve significant management judgement

With the applicability of Ind AS 109 credit loss assessment is now based on expected credit loss ('ECL') model. The Group's impairment allowance is derived from estimates including the historical default and loss ratios. Management exercises judgement in determining the quantum of loss based on a range of factors.

The most significant areas are:

- Segmentation of loan book
- Loan staging criteria
- · Calculation of probability of default / Loss given default
- Consideration of probability weighted scenarios and forward looking macro-economic factors.

Key audit procedures included:

Design / controls

• Assessing the design and implementation of key internal financial controls over loan impairment process used to calculate the impairment charge.

• We used our modelling specialist to test the model methodology and reasonableness of assumptions used.

• Testing of management review controls over measurement of impairment allowances and disclosures in the consolidated financial statements.

Substantive tests

• We focused on appropriate application of accounting principles, validating completeness and accuracy of the data and reasonableness of assumptions used in the model.

• Appropriateness of management's judgments was also independently reconsidered in respect of calculation methodologies, segmentation, economic factors, the period of historical loss rates used, loss emergence periods and the valuation of recovery assets and collateral.

Responsibility of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ('Ind AS') specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant

to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Financial Statement

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

 identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

• obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143 (3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.

 evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

 conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or

conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

• evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE B TO THE INDEPENDENT AUDITORS' REPORT To the members of <u>M/S. RADHASHREE FINANCE LIMITED (FORMERLY PANORAMA CAPITAL MARKET LIMITED</u>

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Radhashree Finance Limited of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") For the Year ended 31st March, 2023

We have audited the internal financial controls over the financial reporting of Radhashree Finance Limited ("the Company") as on 31 March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management' s Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design ,implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information ,as required under Companies Act,2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting(the "Guidance Note") and the Standards on Auditing ,issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act,2013,to the extent applicable to an audit of Internal Financial Controls and both, issued by the Institute of Chartered Accountants of India. Those standards and Guidance Note require that we comply with the ethical requirement s and plan and platform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

KOLKATAO

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of cost records that, in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance and transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and the receipt and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition ,use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting ,including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not to be detected. Also, projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion ,the Company has , in all material respects , an adequate internal financial control system over financial reporting and such internal financial controls system over financial reporting were operating effectively as on 31 March, 2023 , based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India
